## SEE YOU IN FLORIDA SOON

Meet the nHANCE team in the Sunshine State at this great event for hockey pros and fans. We have served the NHL and the best European professional leagues for three decades by providing the original and most effective "eccentric overload" equipment. Picture from our "archive" shows 17 yr old Peter Forsberg, later a Stanley Cup winner and Olympic and World Champion, on the YoYo™ Leg Press Prius.

## YOYO™ SQUAT GOLD CLASSIC

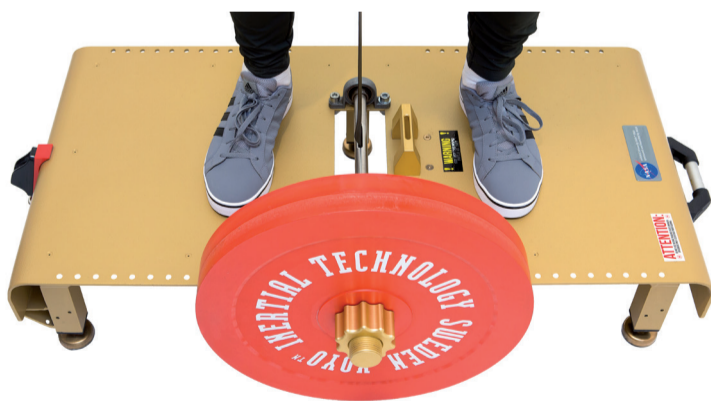

Upon request, we are now reintroducing and offering a limited edition of the iconic YoYo™ Squat Gold Classic. This piece of equipment offers numerous exercises far beyond Squats only, for anyone desiring to optimize rehab, fitness, speed, power, or eccentric endurance.

The Gold Classic is equipped with an extended flywheel shaft that allows for almost unlimited inertia and **heavy duty** YoYo™ exercise. Additionally, the YoYo™ Squat Gold Classic is unique, as the inertia can be doubled or reduced in half by simply changing the strap attachment from direct pull (less inertia) to pulley with Sailor's rope (more inertia), mode. Flywheels are offered in colors of red, grey, black and, various materials (PVC; aluminum, pressed wood) and range in inertia. Add vest size of your choice (S, M, L, XL, XXL). Any offer includes a generous spare strap supply.
